While some of us enjoy the day off for Thanksgiving, we all know that tomorrow is going to be a mad house for shopping and we've compiled a list of deals if you are looking to pick up a bargain or two from Black Friday 2017.

### Compilation of Black Friday flyers/deals:

[BestBlackFriday.com](http://BestBlackFriday.com) (United States)

[TechBargains.com](http://TechBargains.com) (United States)

[RedFlagDeals.com](http://RedFlagDeals.com) (Canada)

In addition I thought I'd add a link to a cool service which will tell you just how good of a deal those Black Friday deals actually are. Just enter the product you're looking for and it'll show you what the price has been over the past few months and you might just be surprised that the deal you were going to wait in line for might be available online already.
