Android App Pick has been a weekly feature here at BCCHardware.com since October 2011. We've looked at thousands of Apps over the years and brought you what we thought were some of the best applications and games for your favorite Android devices. As the holidays approach, we are feeling a little generous and want to give back a little bit more. To make your holidays a little less painful, we are giving away a \$25 Google Play gift card to one of our readers. You can buy some Apps, rent or buy a movie, read a book or just about anything else your Android-loving heart desires.

To enter the draw for the \$25 Google Play Gift Card, simply comment or post in the forum. Yes, it's that simple. Each comment you make on one of the previous "App Pick of the Week" posts will gain you an entry into the giveaway. You can stuff the box if you are active in the forum. The little details are below.

- Register and comment on any [Android App Pick of the Week](#)
- Any ([non-spam](#)) post will count toward an entry into the draw bucket
- \$25 Gift Card is in Canadian Funds (winner must have a Canadian Google Play Account)
- Winner will be drawn randomly from all eligible entries on December 25th, 2013 at
