If you have been waiting to get a BlackBerry Priv, you'd better hurry as this aging device will soon fade into the history books. That being said, it's a solid device and with it being reduced to a mere \$289 online, it might just be the right time to pick one up. It was the flagship device at the beginning of 2016, so it's got a lot of life left in it yet. Take a look at where you can snag the best deal now.

*The Priv has a slide-out QWERTY keyboard that stows away behind the device's 5.4-inch Quad HD display. BlackBerry itself is now selling the Priv for \$499, but you can currently get a new unlocked Priv, in full retail packaging and with all accessories included, for \$289.99...*
