Although this is an "oldy" in the grand scheme of the internet, it's still pretty awesome. Take a look at what a \$250 budget can do...

{youtube}4lyUNs7eNhs{/youtube}

A story about the connection that grows between two people during the battle for city 17. Made in the same gritty guerrilla style as the original, it was made on a \$250 budget, previously owned/donated software, time, and an HVX200 camera.
